The Raytown Police Department will be hosting their annual Safety Fair on Thursday, June 15. The event provides the public with an evening of crime awareness and prevention through interactive vendor displays, including up-close and personal vehicle displays from the Raytown Public Works Department, Raytown Police Department, Raytown EMS, and the Raytown Fire Department. Other vendors and public safety agencies will be present, as well. There will be various demonstrations throughout the evening.

The Safety Fair is the perfect way for Raytown community residents to come together for a family-friendly event. Residents are encouraged to invite their neighbors, bring their family and their friends, and learn about safety for themselves and as a community.
